## Reply to Notice of Motion

### Meeting of the Cappamore – Kilmallock Municipal District to be held on Thursday 20<sup>th</sup> February 2025

#### Notice of Motion submitted by Councillor Carey

I will move at the next meeting of the Cappamore-Kilmallock Municipal District that immediate action is undertaken on the road leading to Killeenavere Quarry, Dromkeen, Co. Limerick.

#### Response:

The Cappamore-Kilmallock Municipal District has been monitoring all public roads approaching the waste disposal site since its activities intensified in recent years. It was agreed that the operator ensure that a road sweeper was in place fulltime, when waste was being delivered. This instruction has been adhered to and there has been no significant issues with respect to the maintenance of the public roads.

The waste disposal site operator has, however, in recent weeks been asked to cease operations temporarily, so as to carry out improvements to their own access road leading up to the old quarry. It should be noted that this road is not a public road. Limerick City and County Council will continue to monitor the waste disposal operations at this registered waste disposal facility.
