Data Protection Privacy Statement for

Body Worn Camera (BWC) Technology

Who we are and why do we require your information?

Limerick City and County Council seeks to promote the economic, social and cultural development of Limerick City and County and in doing so contribute significantly to improving the quality of life of its people. The delivery of high quality services, tailored to meet the needs of all our customers, remains one of Limerick City and County Council's core objectives and is included in our Corporate Plan. This quality service includes not only the level and quality of service given to our customers, but also the quality of our decision-making processes, the efficiency and effectiveness of our corporate operations, standard of our facilities and our ability to adapt in an ever-changing environment. In order to provide the most effective and targeted range of services to meet the needs of the citizens, communities and businesses of Limerick City and County we will be required to collect, process and use certain types of information about people and organisations. Depending on the service being sought or provided, the information sought may include 'personal data' as defined by the Data Protection Acts and by the General Data Protection Regulation (GDPR) and may relate to current, past and future service users; past, current and prospective employees; suppliers; and members of the public who may engage in communications with our staff. In addition, staff may be required, from time to time, to collect, process and use certain types of personal data to comply with regulatory or legislative requirements.

Why do we have a privacy statement?

Limerick City and County Council has created this privacy statement in order to demonstrate our firm commitment to privacy and to assure you that in all your dealings with Limerick City and County Council that we will ensure the security of the data you provide to us. Limerick City and County Council creates, collects and processes a significant amount of personal data in various multiple formats on a daily basis. Limerick City and County Council's commitment is that the personal data you may be required to supply to us is;

- Obtained lawfully, fairly and in a transparent manner
- Obtained for only specified, explicit and legitimate purposes
- Adequate, relevant and limited to what is necessary for purpose for which it was obtained
- Recorded, stored accurately and securely and where necessary kept up to date
- Kept only for as long as is necessary for the purposes for which it was obtained.
- Kept in a form which permits identification of the data subject
- Processed only in a manner that ensures the appropriate security of the personal data including protection against unauthorised or unlawful processing.

Data Protection Policy

Limerick City and County Council has a detailed Data Protection Policy, which outlines how we as a public body are committed to ensuring the security of any personal data you provide to us.

What is the activity referred to in this Privacy Statement?

Use of Body Worn Cameras for the security and safety of Limerick City and County Council staff. When an incident occurs or a member of staff anticipates that an incident is about to occur and the device is activated, video/audio footage and GPS coordinates will be captured.

What is the basis for making the processing of personal data in this activity lawful?

Processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in Limerick City & County Council - Article 6(1)(e) of the General Data Protection Regulations, 2016 and in conjunction with the legislation listed below:

Local Authorities (Traffic Wardens) Act 1975

Safety, Health and Welfare at Work Act 2005

Local Authorities employ Traffic Wardens to monitor instances of parking offences in their areas. The principal legislation governing this area is the Local Authorities (Traffic Wardens) Act 1975 as amended. The offences for which Traffic Wardens can issue fixed-charge fines are parking and motor tax disk offences and are set out in the Local Authorities (Traffic Wardens) Act 1975 (Fixed Charge Offences) Regulations 2006 (SI 136/2006).

In order to deter behaviour that has the potential to endanger the safety, health and welfare at work of our employees and members of public, appropriate procedures must be put in place in order to meet the requirements of the Safety, Health and Welfare at Work Act 2005, as amended.

We require your contact details

In order to communicate with you, you will be asked for contact details. You do not have to provide all contact details but providing more, such as email, phone, address, makes it easier to communicate. Please note that to help protect your privacy, we take steps to verify your identity before granting access to personal data. These contact details may also be used to verify your identity.

What other items of personal data do we need to undertake this activity?

No other forms of personal data are required.

Is the personal data submitted as part of this activity shared with other organisations?

Limerick City and County Council may, to fulfil statutory or regulatory obligations or in the public interest, from time to time, have to share personal data with other organisations or entities (in Ireland or abroad). Where this is required Limerick City and County Council shall have regard to the security and integrity of the data and will minimise the data shared.

In this process, the data will be shared with the following recipients:

Data will only be shared with third parties where the Council has a lawful basis to do so and only in accordance with the Council's Body Worn Camera policy. Access may be provided to the following: 1. A Data Subject 2. An Garda Síochána 3. Other third parties where appropriate i.e., for example, the Council's insurers and/or legal advisors 4. Other parties where the data subject gives his/her consent or instructs us to do so or where we are otherwise legally required to do so (e.g. on foot of a Court Order)

In this activity, if the personal data is to be transferred to a different country, it will be transferred to the following countries (if there are no countries listed, it is not intended to transfer the personal data abroad).

There are no plans to transfer the personal data to a third country or international organisation.

How long is this personal data held by Limerick City and County Council?

Limerick City and County Council has a detailed record retention policy which goes in to more detail of the time period for which your personal data will be retained by Limerick City and County Council and what will happen to it after the required retention period has expired.

The data processed as part of this activity will be retained for the following period(s):

Data recorded on Body Worn Cameras shall be kept for no longer than is considered necessary in accordance with Article 5(e) of the GDPR.

In general, the data will be deleted automatically after ten days unless it is required for further investigation, evidential purposes and/or legal proceedings in which case it will be deleted after all stages in the process are completed. Unnecessary data will be deleted when identified.

What will happen if the requested personal data is not provided?

N/A – personal data is not requested in this instance. The video/audio footage and GPS coordinates are captured automatically in the event of an incident occurring and the device being activated.

Your Rights

You have the right to request access to personal data held about you, obtain confirmation as to whether data concerning you exists, be informed of the content and source of data and check its accuracy. In addition, if the data held by us is found to be inaccurate you have the right to change, remove, block, or object to the use of, personal data held by Limerick City and County Council. You also have the right to data portability.
