**DRAFT Community Hedge Cutting Grant  
Scheme**

# Community Hedge Cutting Grant Scheme

- €50,000 Revenue Budget has been secured for 2025.
- Grant Scheme is payable to Land Owners/Groups of Land Owners towards the cost of Hedge Cutting after the works have been undertaken.
- Minimum Length of Road Network to be incorporated in any application is 5km. Where both sides of a road need attention, the length to be included in the grant application will be doubled (assuming owners of both sides of road are included in application).
- €50 per km towards the Cost of Hedge Cutting during the Cutting Season **ONLY - 1<sup>st</sup> September - Last day of February**.
- Land owners are encouraged to join together to make one application.

# How will the Grant be Administered

- Applications will be administered centrally but managed via the District Office.
- Signature(s) of each landowner along the length of road/road network, consenting to the cutting of the hedgerow, to which this application refers will be required.
- For the purpose of this scheme, no hedge cutting shall take place until a valid application is received and approved by LCCC. Where hedge cutting does take place without the prior approval of LCCC, a grant will not be awarded to the applicant.
- To facilitate assessment of all applications, a map is desirable indicating the roads that are proposed to be included in the scheme. Any application submitted without the required accompanying map identifying the roads to which the application refers will be returned.
- The Council's adjudication of grant sum to be allocated on foot of an application shall be final.

# How will the Grant be Administered

- No grant will be paid out until the Council is satisfied that all hedge/tree cutting required along the network proposed in the application is completed to the required standard.
- It is a matter for applicant/communities to ensure that the contractor to be engaged is appropriately insured, has their competence assessed, is compliant with current Health and Safety Regulations, to confirm to the Council that these compliance requirements have been satisfactorily verified and to give the relevant Municipal District Office at least 7 days notice of intention to carry out the works.

# Clare County Council Scheme

- Clare County Council Scheme
  - €50 per km (subject to minimum 5km)
  - No. of applications last Cutting season - 48
  - Total Amounts allocated in Grants - €18,000
  - Average Grant - €375
  - Average Grant km - Circa. 7.5
  - Where both sides of a road need attention, the length to be included in the grant application will be doubled (assuming owners of both sides of road are included in application).

# West Cork Scheme

- Cork County Council - Municipal District of West Cork ONLY
  - Total Budget - €20,000
  - Encourage Larger Applications from Community Groups/Multiple Land Owners  
eg. Islands Submit single Application
  - Average Grant of circa €1,000 (representing 20km of Road Network)
  - Scheme in operation since 2019 and has grown year on year.
