**Meeting of the Municipal District of Newcastle West to be held on
Wednesday 5th March 2025.**

Notice of Motion submitted by Councillor L. Galvin

I will move at the next Meeting that the shed at the rear of the old bank be given to parking and be included as additional parking as part of the Abbeyfeale Traffic Management Plan.

Reply:

The lands referred to in the Notice of Motion are currently in the ownership of Innovate Limerick DAC. We are currently exploring options to acquire these lands as requested by the Members and exploring if it is feasible to provide car parking at this location. However, it should be noted that these lands are identified in the Local Area Plan for Abbeyfeale and the Town Centre First Plan to be considered as part of an overall development masterplan in conjunction with the adjoining lands for a mixed use development (Residential/Commercial). We will revert to the members when we have concluded discussions with the landowners.

I will move at the next Meeting that the Council consider two public lights for the Council owned Demesne car park in front of Newcastle West town soccer ground as it discourages people from using the town car park.
