LIMERICK CITY AND COUNTY COUNCIL

TRAVEL & TRANSPORTATION SPC

MEETING TO BE HELD ON WEDNESDAY, 19TH FEBRUARY, 2025.

Question submitted by Councillor E. Secas (referred from September Council Meeting)

I will ask at the next Meeting if Limerick City and County Council will introduce in its forthcoming budget a Community Hedge Cutting Grant Scheme to assist communities, groups of local residents and landowners with the cutting of dangerous overhanging hedges/tree branches along public roads, similar to the schemes provided by Clare/Leitrim/Cork County Councils.

REPLY:

Limerick City & County Council is proposing to introduce a Community Hedge Cutting Grant in Q2 of 2025 for application within the hedge cutting period between the 1st September 2025 and 1st March 2026.

Limerick City & County Council intend to provide a grant up to a maximum of €50 per km of roadside hedge/overhanging trees to be cut with a minimum length of road network to be incorporated in any application of 5km.
