Re: Road Safety and the wearing of High Visibility Vests

Dear Meetings Administrator,

I write to inform you that the members of Donegal County Council at their recent meeting resolved to adopt the following resolution:

"I am asking this Council to take a stand on road safety in relation to the non-wearing of high vis vests, arm bands etc or indeed proper lighting on bicycles given that these are causing issues for road users, late night walkers, cyclists etc. Furthermore, Electric scooters have become a major problem for motorists. Given the number of motorists and pedestrians having accidents and the increasing number of fatalities we need to work with An Garda Síochána, the Minister for Transport, Schools, Youth Clubs etc to highlight these issues."

It was further agreed to circulate same to all other Local Authorities for their consideration and support.

Yours sincerely,

P.P.
