Re: Attendance at a Core Network Meeting for URBACT GreenPlace

An invitation was received by Limerick City and County Council from João Miguel Henriques, Mayor of Vila Nova de Poiares, inviting an Elected Representative from Limerick to the Core Network Meeting of URBACT GreenPlace in Vila Nova de Poiares in Portugal on May 13-14 2025. URBACT GreenPlace is a European project concerned with the urban regeneration of forgotten place. The project focus for Limerick is in the Watergate and Johnsgate areas of Irishtown and regenerating the areas in proximity to the City Wall.

The purpose of the meeting was to bring together Elected Representatives from the nine Project Partners in URBACT GreenPlace to exchange views on the importance and feasibility of green revitalization actions as a key factor in mitigating climate change in urban areas. An opportunity to define political leverage measures to facilitate these initiatives, with Elected Representatives invited to sign a non-binding commitment to develop more regeneration projects with ecological solutions and a more participatory approach in their cities.

The Príomh Chomhairleoir was invited to represent Limerick. The cost of the trip was €1,184.76, which was funded by URBACT GreenPlace project.

In accordance with Section 142 (5) of the Local Government Act 2001, as amended, the retrospective approval of the Council is hereby sought for the attendance by Councillor McSweeney at the above meeting.
