## MEETING OF THE METROPOLITAN DISTRICT OF LIMERICK TO BE HELD ON Monday, the 19<sup>th</sup> May 2025

### Notice of Motion submitted by Councillor J. Pond

I will move at the next meeting of the Metropolitan District of Limerick that Limerick City and County Council engage with the Cluid Housing Approved Body to examine what measures can be taken, including blocking access from the Greenway, to alleviate the anti-social behaviour that is occurring at both Apartment Blocks in Newtown Meadows in Castletroy.

### Reply:

Limerick City and County Council Road's Department will engage on this issue raised through the Planning department during the taking in charge process of Newtown Meadows

**Mike Richardson, S.E.E.,  
Roads Traffic & Cleansing.**

### Reply:

With regards to anti-social behaviour at the Apartment Blocks in Newtown Meadows, it is crucial to address the concerns of residents while also considering the broader community that utilises the Greenway.

I would like to emphasise that anti-social behaviour is being actively addressed by An Garda Síochána, who are committed to ensuring the safety and well-being of all citizens. The Greenway serves as a valuable resource for walkers, cyclists, and families, promoting healthy outdoor activities and community engagement.

While exploring potential measures to mitigate the issues faced by residents, we must balance these actions with the accessibility of the Greenway, which many people enjoy.

Engaging with Clúid Housing through Limerick City and County Councils Housing Dept. to discuss practical solutions is a positive step and I encourage collaborative efforts to find a resolution that addresses the concerns of both the residents and the wider community.

**Meeting of the Metropolitan District of Limerick  
to be held on Monday 19<sup>th</sup> May 2025**

**Notice of Motion submitted by Councillor S. Kiely**

I will move at the next meeting of the Metropolitan District of Limerick that a funding source be identified for the chapel in Mount St. Lawrence to be restored.

**Response**

While the Council were not successful with a funding application to the Historic Structures Fund in 2025 for the upgrade of the Chapel in Mount Saint Lawrence Old Cemetery, it is intended that the project will be put forward should there be another call for HSF funding in 2026. In the interim, the Council will review all other possible sources of funding to see if an alternative source of funding can be identified.
