Re: State of Israel Bonds Issuance Programme

Dear Meetings Administrator,

I write to inform you that the members of Donegal County Council at their plenary meeting on the 26th of May 2025 resolved to adopt the following motion:

"That this Council is gravely concerned that the Central Bank of Ireland is regulating the Israel Bonds Issuance Programme and, thereby, facilitating the sale throughout Europe of bonds which are funding genocide in Gaza.

This Council notes that,

- i. *the bonds, known as Israel Bonds, have, since 1951, raised funds for the Israeli Treasury for use across the Israeli economy including the financing of the apartheid system, the Israeli military and illegal settlements,*
- ii. *the bonds are now being advertised as war bonds and are funding the genocide in Gaza.*

Council further notes that,

- i. *in January 2024 the International Court of Justice (ICJ) confirmed the plausibility of the charge of genocide against Israel,*
- ii. *in June 2024 the UN's International Commission of Inquiry on Palestine found that Israel's actions in Gaza "constitute the war crimes of wilful killing and mistreatment, and the crime against humanity of extermination"*
- iii. *in July 2024 an ICJ ruling declared that Israel is committing the crime of apartheid and its entire regime of military occupation of Palestinian territories is illegal and must end immediately,*
- iv. *all institutions are under obligation under international law to prevent genocide and abuse of human rights.*

Council believes that the Central Bank of Ireland must end all complicity in genocide. Council, therefore, calls on the Central Bank of Ireland to immediately end the regulation of the Israeli Bond Issuance Programme."

It was further agreed to circulate same to all other local authorities for their consideration.

Yours sincerely,

P.P.

RE: HPLG-MBO-01488-2025

Dear Ms. Farrell,

I have been asked by Mr. James Browne, T.D., Minister for Housing, Local Government and Heritage, to thank you for your recent letter advising of a resolution passed by the members of Limerick City and County Council in connection with funding for the 2025 second-hand acquisitions.

The Department wrote to local authorities on 31 March setting out details of the social housing second-hand acquisitions programme for 2025. The Department is providing approximately 325 million to local authorities in 2025 to buy second-hand properties with a particular focus on tenant-in-situ acquisitions. This is where tenants in receipt of Housing Assistance Payment (HAP) and Rental Accommodation Scheme (RAS) had received a notice of termination from their landlord. Local authorities were informed of their specific funding allocation which in the case of Limerick City and County Council is approximately 15 million.

The letter identified the priority funding areas for 2025 as follows:

- tenancy sustainment “tenant-in-situ”
- exits from homeless services (including one beds for housing first need)
- people with a disability and older persons requiring urgent housing responses
- buy and renew acquisitions which tackle vacancy.

These categories are similar to previous years but expanded to include buy and renew acquisitions.

Where tenants in receipt of HAP/RAS have received a notice of termination, local authorities have a range of options at their disposal to consider before determining if an acquisition is the best approach. Such options include; possible tenancies from the existing social housing stock or approved housing body stock, negotiations with the landlord to see if the existing tenancy can be sustained, or help to secure alternative private accommodation.

The Department appreciates that local authorities may have carried over commitments in respect of refurbishment costs on previous acquisitions. They will need to review their proposals to see if some of these refurbishment works could be factored into their planned maintenance programme going forward. This is particularly important in respect of past tenant-in-situ acquisitions as these houses should already be compliant with rental standards and require little work.

The Department also provides funding to local authorities under the energy efficiency retrofitting programme and planned maintenance / voids funding programme which may be of assistance with some refurbishment costs.»¿

The funding for second-hand acquisitions is part of almost £2 billion in total, which is supporting local authorities and approved housing bodies to deliver new social homes in 2025. The main focus of the social housing programme is to increase the delivery of new homes which will allow local authorities the capacity and the flexibility to deal with emergent need.

It is a matter for local authorities to manage the resources available, assess the various options and determine the optimum solution in each particular case. The criteria that applies to second hand social housing acquisitions in 2025 are largely similar to 2024.

Yours sincerely,

Jack Savage

Re: Dismantling of the Triple Lock

Dear Meetings Administrator,

I write to inform you that the members of Donegal County Council at their recent meeting resolved to adopt the following resolution:

"Do Chomhairle Contae Dhún na nGall, mar mheabhrúchán gur ghlac Comhairle na hEorpa le Dearbhú Seville i mí an Mheithimh 2002, rud a dheimhnigh nach raibh aon bhagairt ar neodracht na hÉireann mar thoradh ar Chonradh Nice, tugtar le fios gur dheimhnigh an Taoiseach a bhí ann ag an am, an tUasal Ahern, do Theach Laighean : "Athdhearbháil an Dearbhú Náisiúnta ceangal na hÉireann le beartas neodrachta agus dearbhaíonn sé: nach bhfuil Éire páirteach in aon ghealltanais comhchosanta: go ndéanfaimid ár gcinneadh ceannasach féin maidir le ar cheart d'fhórsa cosanta na 26 Contae páirt a ghlacadh i dtascanna daonnúla nó bainistíochta géarchéime arna gcur ar bun ag an AE bunaithe ar an Ghlas Triarach ceadaithe ag na Náisiún Aontaithe, cíneadh an Rialtais agus glactha leis ag Teach Laighean ".

Tá Comhairle Contae Dhún na nGall sásta gur bhain an Dearbhú Náisiúnta Sollúnta le hlonstraimí daingníúcháin de chuid na hÉireann a bhain le Conradh Nice agus gur cláraíodh é ina dhiaidh sin ag na Náisiún Aontaithe, agus gur athdhearbháigh ríaltas Cowan na gealltanais ina dhiaidh sin tar éis diúltú do Chonradh Liospóin ar dtús in 2008.

Mar sin féin, is mian le Comhairle Contae Dhún na nGall a ndiomá a chur in iúl maidir le rún agus polasaí an Rialtais deireadh a chur leis an Ghlas Triarach, ina ndearna an Taoiseach, an tUasal Martin, cur sios air roimhe seo mar "croílár neodrachta na 26 contae".

I bhfianaise an rúin an riachtanas maidir le sainordú ó na Náisiún Aontaithe a bhaint, aithníonn an Chomhairle seo freagracht na Náisiún Aontaithe maidir le slocháin agus slándáil idirnáisiúnta a choinneáil agus tosaiocht Chairt na Náisiún Aontaithe mar dhoiciméad bunúsach de chuid an díl idirnáisiúnta. Léirionn an Ghlas Triarach gealltanais dlíthiúil agus polaitiúil ó stát na hÉireann i leith phrionsabail na Náisiún Aontaithe. Ag am ina bhfuil méadú ar éagobhsaiocht dhomhanda, iarrann an Chomhairle seo ar ríaltas an tSaorstáit an Ghlas Triarach a chosaint mar chuid lárnach de neodracht na hÉireann agus brú a chur ar iarrachtaí chun slocháin agus taidhleoireacht a chur chun cinn.

Mar sin de tá Comhairle Contae Dhún na nGall go láidir i gcoinne polasaí den chineál seo agus geallann siad go ndéanfar teagmháil le gach Comhairle Contae láithreach ag iarraidh orthu seasamh linn agus leis na forais rialtais cui chun iad a chur ar an eolas faoina bhfreasúra."

Má cheadaitear an rún go ndéanfar é a scaipeadh ar chomhairli eile taobh istigh den stát –

"Comhairle Contae Dhún na nGall, recalling that in June 2002 the European Council adopted the Seville Declaration, which confirmed that the Nice Treaty posed no threat to Ireland's neutrality, notes that the then Taoiseach Mr Ahern confirmed to Teach Laighean that: " The National Declaration reaffirms Ireland's attachment to a policy of neutrality and confirms that: Ireland is not party to any mutual defence commitment: that we will take our own sovereign decision on whether 26 Counties defence force should participate in humanitarian or crisis management tasks mounted by the EU based on the Triple Lock of UN endorsement, Government decision and Teach Laighean approval".

Comhairle Contae Dhún na nGall is satisfied that the Solemn National Declaration was associated with Ireland's Instruments of ratification of the Nice Treaty and subsequently registered at the UN, while the undertakings were subsequently reiterated by the Cowan government following initial rejection of the Lisbon Treaty in 2008.

However, Comhairle Contae Dhún na nGall now wishes to express its dismay at the stated intention and policy of the Government to *dismantle the Triple Lock, which the Taoiseach Mr Martin previously described as "the core of 26 counties neutrality".*

In light of the intention to remove the requirement for a UN mandate, this Council recognises the responsibility of the United Nations in maintaining international peace and security and the primacy of the UN Charter as a foundational document of international law. The Triple Lock represents a legal and political commitment by the Irish state to the principles of the UN. At a time of heightened global instability, this Council calls on the Free State government to safeguard the Triple Lock as a core component of Irish neutrality and to redouble efforts to promote peace and diplomacy.

Comhairle Contae Dhún na nGall therefore states its forceful opposition to such a policy and pledges to immediately contact all County Councils requesting them to join us in this course of action and to inform the appropriate government organs of their opposition."

It was further agreed to circulate same to all other local authorities for their consideration.

Yours sincerely,

P.P. Patsy Lafferty

Dear Ms. Farrell,

Dear Ciara, thank you for your correspondence in relation to BusConnects Limerick, the content of which has been noted.

As you may be aware, BusConnects is a transformative programme of investment in the bus system, providing better bus services across our cities. It is the largest investment programme in the bus system in the history of the State and is managed by the National Transport Authority (NTA).

In 2023, the NTA carried out an extensive review and public consultation of the bus network in Limerick, in collaboration with Limerick City and County Council, Clare County Council, and Bus Éireann, and with the specialised expertise of transport designers, Jarrett Walker and Associates. The NTA published the final new bus network for Limerick in December 2023.

The new bus network will enable more people to avail of public transport resulting in increased access to a greater number of schools and workplaces across Limerick city. Overall, circa 41% of residents will live within 400 metres of a high frequency bus route. The NTA intend to start introducing the new network in 2027, subject to funding and resources.

The design of that new network was a necessary prerequisite step in relation to the planning of new bus infrastructure across Limerick city – without clarity of the planned service pattern, it is not feasible to reliably plan the appropriate infrastructure enhancements.

BusConnects Limerick, as set out in the Limerick Shannon Metropolitan Area Transport Strategy, envisages the development of continuous bus priority, as far as practicable, on key bus corridors across the city. The NTA intends to procure and appoint a design team to commence work on an overall citywide bus infrastructure plan under BusConnects Limerick. However, the NTA have informed the Minister that they need to increase their personnel resources in order to undertake and manage this programme and that they hope to do later this year. That will allow planning and design work to commence next year on the overall BusConnects Limerick infrastructure plan.

With best wishes,

Gordon Ryan
