**Notice of Motion submitted by Councillor L. Galvin**

I will move at the next Meeting that the shortfall of monies to commence and complete the Abbeyfeale Traffic Management Plan be taken from development levies collected.

**Reply:**

22<sup>nd</sup> August 2025

There is a very significant shortfall in funding for the Abbeyfeale Traffic Management Plan as currently envisaged. There is a funding commitment of €14m from funders Limerick City & County Council, NTA and TII.

The Total scheme costs are estimated in the region of €26million indicating a shortfall in the region of €12million.

With reference to my response to question on the agenda today regarding the same matter, we propose to proceed to progress projects within the overall Abbeyfeale Traffic Management Plan within the funding currently available above. We also propose to seek funding from the OPW for the culvert installation in the Grove Terrace carpark and are engaging with the Town Regeneration Officer regarding potential future RRDF applications or other funding opportunities.

The development levy's collected countywide are in the region of €3million per annum and allocated across projects across the County. The levy's collected are not sufficient to allocate to fund such a significant shortfall on a capital project.

We will continue to explore further funding opportunities to progress the overall scheme phases.

Regards,

---

## LIMERICK CITY AND COUNTY COUNCIL

### MUNICIPAL DISTRICT OF NEWCASTLE WEST

MEETING TO BE HELD ON WEDNESDAY 3<sup>RD</sup> SEPTEMBER, 2025

#### Notice of Motion submitted by Councillor J. Scanlan

I will move at the Meeting that the charge for Resident Parking Permits issued at Newcastle West be brought into line those applicable within Limerick City.

#### Response:

The Limerick City Centre Transport Plan (LCCTP) is currently being drafted. It is envisaged that public consultation should take place late September this year.

Once the LCCTP is complete a parking strategy will be undertaken which will include reviewing the parking bye-laws and associated fees in all districts including Newcastle West.
