10. **Notice of Motion submitted by Councillor S. Beasley (to be referred to the Home and Social Development Strategic Policy Committee)**

I will move at the next Meeting of the Metropolitan District of Limerick that Limerick City and County Council implements a transparent and documented process for assessing housing applicants with pets. Such as the question being asked on the physical application form. The current informal approach lacks clarity, making it impossible to determine how many applicants are denied housing due to pet ownership. A more formal procedure is needed to ensure fairness and allow for proper oversight of these decisions.

11. **Notice of Motion submitted by Councillor J. Pond (to be referred to the Home and Social Development Strategic Policy Committee)**

I will move at the next Meeting of the Metropolitan District of Limerick, that Limerick City and County Council would change their policy of not allowing tenants in local authority houses to engage contractors to install solar panels on their houses.

Signed: Cllr. Stephen Keary, Chairperson, Limerick City and County Council
