NOTICES OF MOTION

16. Notice of Motion submitted by Councillor C. Slattery

I will move at the next Meeting of the Metropolitan District of Limerick that Limerick City and County Council write to the National Transport Authority requesting that a bus service is provided for the Ballysheedy area. There are numerous bus services for parishes in that vicinity, but Ballysheedy is heavily populated with no bus service.

17. Notice of Motion submitted by Councillor C. Slattery

I will move at the next Meeting of the Metropolitan District of Limerick that Limerick City and County Council review the one way system on the Fairgreen at the junction of St. Patrick's Road, this junction is exceedingly dangerous as it is a blind junction on both sides as you try to exit on to St. Patrick's Road and there are no footpath for pedestrians. There are local sports clubs in the area with youth players who live locally and a footpath is needed from the St. Patrick's Junction to the grotto at the Fairgreen. Children and elderly pedestrians in the area need to be prioritised.

18. Notice of Motion submitted by Councillor S. Kiely

I will move at the next Meeting of the Metropolitan District of Limerick that we write to the Department of Housing and Local Government to ask that this Government seek an immediate derogation on fossil fuel boilers to enable local councils to provide grants for the upgrade/replacement of boilers.

21. Notice of Motion submitted by Councillor E. O'Donovan

I will move at the next meeting of the Metropolitan District of Limerick for at least six week intervals for verge cutting in line with local and national biodiversity policies.

22. Notice of Motion submitted by Councillor E. O'Donovan

23. Notice of Motion submitted by Councillor S. Hickey O'Mara

I will move at the next meeting of the Metropolitan District of Limerick that we write to the Minister for Health to request that a Medically Supervised Injection Centre, akin to the one that has been opened in Dublin, be trialled in Limerick city due to the high number of people in addiction and the proliferation of needles and other drug detritus throughout our city with the express aim of providing a safe, non-judgmental place for those in addiction to inject drugs using sterile equipment under the supervision of a medical professional.

24. Notice of Motion submitted by Councillor S. Hickey O'Mara

I will move at the next meeting of the Metropolitan District of Limerick that we seek to secure the necessary funding to provide seating at every bus stop in the city in order to ensure that those taking public transport, particularly our older residents and those with limited mobility, can rest as they await their bus.

25. Notice of Motion submitted by Councillor P. Doyle

I will move at the next meeting of the Metropolitan District of Limerick that the conditioned financial contribution under the Development Contribution Scheme for the large scale student development granted permission under Planning Reference 25/60113 on the Groody Road, Castletroy be ring fenced to build a much needed slip road from the Groody Road to the Dublin Road R445.
