Re: Section 5 Exemption proposal for alterations and extensions to existing dwelling at Bruff, Co.Limerick for Colum Breen

Dear Sirs,

I refer to the attached Section 5 Exemption proposal on behalf of Colum Breen and outline some particulars as follows:

The proposal relates to a rear extension that incorporates a rear domestic extension and a store and a proposed new porch at the front elevation.

The house has not been extended previously

The rear domestic extension is exempt under Class 1 as follows:

- The proposed rear habitable extension measures 39.98m²/under 40m²
- The extension is completely to the rear
- The roof at the rear of the extension does not form a gable as the original back wall of the house was not a gable (4(a))
- The roof of the extension does not exceed the height of the existing house.
- The rear amenity area is well in excess of the 25m² as the overall site area is 0.422ha
- There is no issue with ground floor windows as all walls of the extension are greater than 1m from a site boundary
- The external finishes are consistent with the existing house.

The proposed Store is exempt under Class 3 as follows:

- The proposed floor area is 8.16m² of an exempted area of 25m²
- The structure is behind the front wall of the house
- The store does not affect existing open space as the site area is 0.422ha
- The external finishes are consistent with the dwelling.
- The main height of the store roof is 3.99m
- The store won't be used for human habitation.

The proposed Front Porch complies with Class 7 as follows:

- The proposed floor area is 1.01m²
- The height is 3.13m
- The porch is not less than 2m from a public road, (proposed is 6.8m)

There are some alterations of the existing house namely the window/window repositioning , new windows and we propose are in line with Section 4 (1) (h) of the Planning & Development Act as amended and do not material affect the external appearance of the dwelling when considered in the context of nearby structures.

We trust the attachment is acceptable and we look forward to a favorable determination in 4 weeks from today's date.

Yours sincerely,

Seamus McElligott

**Report on application under Section 5 of the Planning and Development
Act 2000 (as amended)**

File Reference number	EC.224-25
Applicant	Colum Breen
Location	Bruff, Co. Limerick

1.0 Description of Site and Surroundings:

The application site is an existing derelict 1.5 storey dwelling situated in Bruff, Co. Limerick. The application site is accessed from the R516 and located circa 1km north west of the village.

2.0 Proposal:

This is an application requesting a Section 5 Declaration on whether the following works are or are not development or are or not exempted development:

- Construct a rear extension, incorporating a store & front porch to existing dwelling.

This Section 5 declaration includes the following:

- Application Form
- Site location map
- Site layout plan
- Plans
- Elevations
- Sections

3.0 Planning History:

Pl. Ref 2561077 – New Application – Planning permission sought by Colum Breen for the relocation of an existing vehicular entrance including construction of entrance walls, piers, gateway and associated site works – Decision due: 21st December 2025

5.0 Assessment

Consideration as to whether a development constitutes exempted development or not is governed by Sections 4 and 5 of the Planning and Development Act 2000 (as amended) and Articles 5, 6, 7, 8, 9, 10 and 11 of the Planning and Development Regulations 2001 (as amended).

5.1 Is the proposal development?

Section 2(1) in this Act, except where otherwise requires –

‘works’ includes any act or operation of construction, excavation, demolition, extension, alteration, repair or renewal.

‘**structure**’ as any building, structure, excavation, or other thing constructed or made on, in or under any land, or part of a structure so defined, and –

(a) Where the context so admits, includes the land on, in or under which the structure is situated.

Section 3(1) defines ‘**development**’ as ‘the carrying out of any works on, in, over or under land or the making of any material change in the use of any structures or other land’.

The proposed development on site, comprising the construction of a rear extension, incorporating a store & front porch to existing dwelling constitutes ‘works’ and ‘development’.

5.2 Is the proposal exempted development?

The proposed development will be assessed under Class 1, Class 3 and Class 7 of Part 1 of Schedule 2 of the Planning and Development Regulations 2001 (as amended).

Is the development within the curtilage of a house?

Yes, the extension is to the rear of the house and within the curtilage.

Class 1

The extension of a house, by the construction or erection of an extension (including a conservatory) to the rear of the house or by the conversion for use as part of the house of any garage, store, shed or other similar structure attached to the rear or to the side of the house is considered Exempted Development, subject to the following Conditions and Limitations:

1. (a) Where the house has not been extended previously, the floor area of any such extension shall not exceed 40 square metres.

The house has not been extended previously and the proposed single storey extension will measure 39.98sqm.

(b) Subject to paragraph (a), where the house is terraced or semi-detached, the floor area of any extension above ground level shall not exceed 12 square metres.

N/A. The proposal is not terraced or semi-detached.

(c) Subject to paragraph (a), where the house is detached, the floor area of any extension above ground level shall not exceed 20 square metres.

The house is detached and no above ground extension is proposed. The proposal is considered acceptable.

2. (a) Where the house has been extended previously, the floor area of any such extension, taken together with the floor area of any previous extension or extensions constructed or erected after 1 October 1964, including those for which planning permission has been obtained, shall not exceed 40 square metres.

The house has not been extended previously.

(b) Subject to paragraph (a), where the house is terraced or semi-detached and has been extended previously, the floor area of any extension above ground level taken together with the floor area of any previous extension or extensions above ground level constructed or erected after 1 October 1964, including those for which planning permission has been obtained, shall not exceed 12 square metres.

N/A no works proposed above ground floor.

(c) Subject to paragraph (a), where the house is detached and has been extended previously, the floor area of any extension above ground level, taken together with the floor area of any previous extension or extensions above ground level constructed or erected after 1 October 1964, including those for which planning permission has been obtained, shall not exceed 20 square metres.

N/A no works proposed above ground floor.

3. Any above ground floor extension shall be a distance of not less than 2 metres from any party boundary.

N/A no works proposed above ground floor.

4. (a) Where the rear wall of the house does not include a gable, the height of the walls of any such extension shall not exceed the height of the rear wall of the house.

Rear wall does not include a gable. The height of extension would not exceed the height of the rear wall of the house.

(b) Where the rear wall of the house includes a gable, the height of the walls of any such extension shall not exceed the height of the side walls of the house.

N/A

(c) The height of the highest part of the roof of any such extension shall not exceed, in the case of a flat roofed extension, the height of the eaves or parapet, as may be appropriate, or, in any other case, shall not exceed the height of the highest part of the roof of the dwelling.

The height would not exceed height of eaves or parapet or height of highest part of the roof of the dwelling.

5. The construction or erection of any such extension to the rear of the house shall not reduce the area of private open space, reserved exclusively for the use of the occupants of the house, to the rear of the house to less than 25 square metres.

It is stated that more than 25sqm of private open space would remain as the overall site area is 0.422ha.

6. (a) Any window proposed at ground level in any such extension shall not be less than 1 metre from the boundary it faces.

The windows proposed at ground floor level is not less than 1 metre from any boundary it faces.

(b) Any window proposed above ground level in any such extension shall not be less than 11 metres from the boundary it faces.

N/A no above ground floor extension

(c) Where the house is detached and the floor area of the extension above ground level exceeds 12 square metres, any window proposed at above ground level shall not be less than 11 metres from the boundary it faces.

N/A

7. The roof of any extension shall not be used as a balcony or roof garden.

The submitted plans do not show a balcony or roof garden.

Class 3

The construction, erection or placing within the curtilage of a house of any tent, awning, shade or other object, greenhouse, garage, store, shed or other similar structure

1. No such structure shall be constructed, erected or placed forward of the front wall of a house.

The proposed structure shall be erected to the rear of the house.

2. The total area of such structures constructed, erected or placed within the curtilage of a house shall not, taken together with any other such structures previously constructed, erected or placed within the said curtilage, exceed 25 square metres.

The total area of such structures will not exceed 25 square metres.

3. The construction, erection or placing within the curtilage of a house of any such structure shall not reduce the amount of private open space reserved exclusively for the use of the occupants of the house to the rear or to the side of the house to less than 25 square metres.

The private open space shall not be reduced to less than 25 square metres.

4. *The external finishes of any garage or other structure constructed, erected or placed to the side of a house, and the roof covering where any such structure has a tiled or slated roof, shall conform with those of the house.*

The external features of the proposed store shall conform with those of the house.

5. *The height of any such structure shall not exceed, in the case of a building with a tiled or slated pitched roof, 4 metres or, in any other case, 3 metres.*

The height of the structure measures 3.9 metres and considered acceptable.

6. *The structure shall not be used for human habitation or for the keeping of pigs, poultry, pigeons, ponies or horses, or for any other purpose other than a purpose incidental to the enjoyment of the house as such.*

The structure is to be used as a store and not for human habitation.

Class 7

The construction or erection of a porch outside any external door of a house.

1. *Any such structure shall be situated not less than 2 metres from any road.*

The proposed structure is not situated less than 2 metres from any road.

2. *The floor area of any such structure shall not exceed 2 square metres.*

The front porch measures 1.01sqm and complies

3. *The height of any such structure shall not exceed, in the case of a structure with a tiled or slated pitched roof, 4 metres or, in any other case, 3 metres.*

The proposed porch has a tiled roof and measures 3.136. The proposal complies.

6.0 Article 9 Restrictions

The proposed development is not restricted by any of the restrictions in Article 9 of the Planning and Development Regulations 2001 (as amended).

7.0 Appropriate Assessment

Having regard to the nature and scale of the proposed development and the absence of proximity or connectivity to a Natura 2000 European Site, no Appropriate Assessment issues arise and it is not considered that the proposed development would be likely to have a significant effect individually or in combination with other plans or projects, on a European Site. An appropriate assessment screening report and determination is attached to this report.

8.0 Environmental Impact Assessment

Having regard to the nature, size and location of the proposed development and to the criteria set out in Schedule 7 of the Regulations it has been concluded at preliminary examination that

there is no real likelihood of significant effects on the environment arising from the proposed development. EIA, therefore, is not required.

9.0 Recommendation/Conclusion

The proposed development detailed on the application and plans submitted is considered to be within the scope of Class 1, Class 3 and Class 7 of Part 1 of Schedule 2 of the Planning and Development Regulations 2001 (as amended).

Regard has been had to –

- (a) Section 2, 3 and 4 of the Planning and Development Act 2000 (as amended)
- (b) Class 1 of Part 1 of Schedule 2 of the Planning and Development Regulations 2001 (as amended)
- (c) Class 3 of Part 1 of Schedule 2 of the Planning and Development Regulations 2001 (as amended)
- (d) Class 7 of Part 1 of Schedule 2 of the Planning and Development Regulations 2001 (as amended)
- (e) The plans & particulars submitted with the application received on 28th of October 2025.

It is therefore considered that the said works are development and exempted development under Class 1, Class 3 and Class 7 of the Planning and Development Regulations 2001 (as amended) and the Planning and Development Act 2000 (as amended).

STEP 3: Assessment of Likely Significant Effects
(a) Identify all potential direct and indirect impacts that may have an effect on the conservation objectives of a European site, taking into account the size and scale of the project under the following headings:

Impacts:	Possible Significance of Impacts: (duration/Magnitude etc)
Construction phase e.g <ul style="list-style-type: none"> - Vegetation clearance - Demolition - Surface water runoff from soil excavation/infill/landscaping (including borrow pits) - Dust, noise, vibration - Lighting disturbance - Impact on groundwater/dewatering - Storage of excavated/construction materials - Access to site - Pests 	None.
