LIMERICK CITY AND COUNTY COUNCIL

MUNICIPAL DISTRICT OF NEWCASTLE WEST

MEETING TO BE HELD ON FRIDAY, 12TH DECEMBER 2025

Question submitted by Councillor L. Galvin

I will ask at the next Meeting for a detailed update on (A) The flood relief schemes for Athea and Abbeyfeale (Mart bridge)

REPLY:

The preferred option for the Athea Flood Relief Scheme (FRS) was submitted to OPW for formal option approval (PR3) on 15 August 2025. OPW has advised that this remains under review.

In parallel with this review and in anticipation of PR3 approval from OPW, LCCC has continued to advance the final planning design. Subject to OPW formal approval, it is anticipated that the Athea FRS will be submitted for planning consent to An Coimisiún Pleanála in Q1 2026.

Darragh Ryan, A/Senior Executive Engineer, CFRAMS Capital Projects, Planning and Place-making, 27 November 2025

The SEE is meeting with the OPW next week to look at completing a Flood Map Review Request Form so they can determine if a new flood map review is required for Abbeyfeale.

MEETING TO BE HELD ON FRIDAY 12th DECEMBER 2025**

I will ask at the next Meeting for an update on the traffic calming measures on the N21 from the filling station to Daltons cross Abbeyfeale.

REPLY:

A Feasibility Report outlining a number of design options has been submitted to Transport Infrastructure Ireland (TII) for review. These options include the provision of a pedestrian crossing, footpath extension works, and an extended gateway. Limerick City & County Council will continue to engage with TII and will provide an update once further information becomes available.

MEETING TO BE HELD ON FRIDAY 12th DECEMBER 2025**

I will ask at the next Meeting for an update on the proposed footpath from the Devon Inn Hotel to the GAA field.

REPLY:

Transport Infrastructure Ireland (TII) has completed its review of the Feasibility and Options Report prepared by Limerick City & County Council for safety improvement works at this location. TII has requested that additional detail be incorporated into the proposed design options. Limerick City & County Council will address these requirements and submit an updated Feasibility Report for TII's further consideration.
