

Active Travel Scheme Corbally Road

Bulletin No. 1

31st of October 2025

ShareRidge Ltd is pleased to announce that we have been awarded the contract by Limerick City and County Council for the Active Travel Scheme on Corbally Road. Work on this project has already begun with the development of a compound for equipment and staff facilities inside the grounds of the Diocese at St Munchins School.

Next week Monday the 1st of November excavation works will begin on the footpaths at the junction of Lanahrone Avenue and the Corbally road. Pedestrians will be diverted to alternate pedestrian crossing points. Temporary traffic management will be in place locally to facilitate these works.
