**LIMERICK CITY AND COUNTY COUNCIL
MUNICIPAL DISTRICT OF NEWCASTLE WEST
MEETING TO BE HELD ON WEDNESDAY 14th JANUARY 2026**

Notice of Motion submitted by Councillor M. Collins

I will move at the next Meeting that an appropriate assessment and plan be drawn up for traffic calming and pedestrian crossings in the town of Dromcollogher.

When complete, funding to be sought to complete the works as soon as possible.

Reply:

A draft public realm & tourism plan was prepared for Dromcollogher in 2023 by the Community Department of LCCC. There was significant public consultation associated with the preparation of the draft plan which was also presented at a workshop to the district Councillors in August 2023. Traffic calming, pedestrian crossings etc. formed part of the plan which was paused due to concerns over loss of car parking spaces.

In light of this notice of motion is it timely to revisit what was proposed in this very detailed draft plan and consider if the plan or elements of the plan are appropriate and could be delivered subject to available funding.
