

Active Travel Scheme Old Cratloe Road

Weekly Bulletin No. 1

20th February 2026

Over the past week, ShareRidge crews have begun work on excavating existing footpaths along the first section of the Old Cratloe Road and readying the area for the installation of new kerbs.

Please see image below of excavated walkway.

Active Travel Scheme Old Cratloe Road

Weekly Bulletin No. 1

20th February 2026

Next week excavation works will progress in the direction of TUS, this will include the next section of walkways adjacent to the Spar shop.

New kerbing will be installed along the already excavated footpaths and the area readied for concrete.
