## Reply to Notice of Motion

### Meeting of the Cappamore – Kilmallock Municipal District to be held on Tuesday 17<sup>th</sup> February 2026

#### Notice of Motion submitted by Councillor Conway

I will move at the next Meeting of the Cappamore-Kilmallock Municipal District that an inspection be carried out at the 3 x entrance roads to Kilmallock town in relation to traffic calming, R518 – Bruree, R512 – Bruff and the R515 – Elton.

#### **Response:**

The installation of traffic calming measures at these locations can only be done within a speed limit zone, and as per LCCC's Traffic Calming Policy Document.

If following the completion of a traffic survey, an issue of excessive speeding is identified, the Municipal District Office would submit a case to the Roads Senior Engineer for the introduction of Traffic Calming Measures at these locations.

However, any such improvement measures will also require a funding source to be identified for same to be delivered.

In the short term GATEWAY signage with speed limit information are due to be installed shortly on these three entrance locations to Kilmallock.

Diarmuid Sheehy,  
A/Senior Executive Engineer,  
Cappamore-Kilmallock Municipal District.
