Meeting of the Cappamore – Kilmallock Municipal District to be held on Tuesday 17th February 2026

Notice of Motion submitted by Councillor Carey

I will move at the next Meeting of the Cappamore-Kilmallock Municipal District that this local authority revisit plans to design and provide costings for a pedestrian footbridge at Gotoon Bridge, Kilmallock.

Response:

This forms part of a larger scheme in relation to public realm design for Kilmallock. The Active Travel Department have advised that they will arrange for a full detailed survey to be undertaken on the bridge here to determine if alternative local design solutions can be arrived at in respect to this.

A preliminary costing report has been compiled for the installation of a pedestrian bridge at this location. A Workshop can also be arranged with representatives of the Active Travel Department to further review what is proposed.

Diarmuid Sheehy,

A/Senior Executive Engineer,

Cappamore-Kilmallock Municipal District.
