**MEETING TO BE HELD ON Friday, 4<sup>th</sup> Feb, 2026.**

#### **Question submitted by Councillor T. Ruddle**

I will ask at the next Meeting that the Council request Transport Infrastructure Ireland (TII) for a significant amount of funding to repair all parts of the road that have subsidence and are a serious hazard to drivers throughout the town of Newcastle West. This should especially be done inside the speed limits.

#### **REPLY:**

Limerick City & County Council currently have an Emergency Pavement Scheme report with TII to address the defected pavement areas from South Quay to Cullinagh. We will continue to raise this scheme in the pursuit of funding and also highlight all the defected pavement sections throughout the town of Newcastlewest.
