**Meeting of Municipal District of Adare-Rathkeale to be held on Tuesday 10<sup>th</sup> February  
2026**

**Question submitted by Councillor Tommy Hartigan**

I will ask at the next monthly meeting that an update from the library section be provided including a date for a community information evening on the Bank of Ireland Askeaton and when expressions of interest will be sought to refurbish the current vacant element of the building approx 250m2.

**Reply**

The work on the library element of former Bank of Ireland Askeaton East Square is progressing and is on schedule for completion to open in March 2026.

We would propose to meet with the Askeaton Town Team at their next meeting scheduled for March 2026 to provide information and update in relation to the building.

With regard to the spaces in the building not in library use, the question of refurbishment will be informed by the proposed use. This will be assessed following discussions with the relevant groups who may wish to apply to use these spaces.
