ANNUAL SERVICE DELIVERY PLAN 2026

A Chomhairleoir, a chara,

Section 134 (a) of the Local Government Act, 2001, (as amended by the Local Government Reform Act 2014 and the Local Government (Mayor of Limerick) and Miscellaneous Provisions Act 2024) requires the Local Authority to prepare a Service Delivery Plan annually which identifies the principal services to be provided by the Council to the public following the adoption of its annual budget. The Service Delivery Plan sets out the work programme for each Directorate based on the adopted budget, aligned with key strategic policies.

Progress in implementing the Service Delivery Plans will be monitored by each Department and their teams on a regular basis and relevant significant matters will be reported to, as appropriate, including in the regular monthly Executive Reports to the Elected Council.

I now attach the Draft Service Delivery Plan 2026 for Limerick City and County Council.

The adoption of the Service Delivery Plan 2026 is a Reserved Function of the Council.

Is mise le meas,

James Clune
