

Active Travel Scheme Corbally Road

Bulletin No. 16

13th March 2026

Work has continued over the past week, outside Scoil Ide. New kerbing has been installed in the first section and manholes are being installed.

At Athlunkard bridge, work has continued on the installation of new kerbing for the new footpaths.

Please see image below of the first section outside of Scoil Ide.

Active Travel Scheme Corbally Road

Bulletin No. 16

13th March 2026

Next week, the footpath area in the first section outside Scoil Ide will be prepared for a base layer of tar to be poured. Excavation will commence in further sections of the area adjacent to the school.
