

# Active Travel Scheme Corbally Road

**Bulletin No. 15**

*6th March 2026*

This past week, works have continued on excavating the existing footpath outside Scoil Ide, with new kerbs laid and footpaths poured. A new temporary pedestrian crossing has been painted on the Corbally road to allow for safe access and egress to Scoil Ide, opposite school gate C. At Athlunkard bridge, work has continued on the excavation of footpaths in this area with further sections of footpath excavated.

Please see image below of excavated footpath area between the bus stop and the Irish Estate

# Active Travel Scheme Corbally Road

**Bulletin No. 15**

*6th March 2026*

Next week, works will continue on the footpaths outside Scoil Ide with new kerbing being installed followed by concrete being poured. Further sections will be excavated, working in the direction of St Munchins College.

Work on the footpaths between Athlunkard bridge and the bus stop will continue.

Please see below image of completed footpaths along the Corbally road towards Athlunkard bridge.
