

Active Travel Scheme Old Cratloe Road

Weekly Bulletin No. 4

13th March 2026

Over the past week, ShareRidge crews have continued with the installation of service ducting in the new footpath areas adjacent to the Spar Shop. The excavation of existing walkways and installing new kerbing has continued. Further new sections of concrete footpaths have been poured.

Next week new kerbing will be installed in the recently excavated area outside of Cratloe Wood Student Village.

Please see image below of excavation works outside of Cratloe Wood Student Village.
