## **MEETING OF THE MUNICIPAL DISTRICT OF CAPPAMORE – KILMALLOCK TO BE HELD ON THURSDAY THE 19<sup>th</sup> MARCH 2026**

### **Question submitted by Cllr. Teefy**

I will ask at the next Meeting of the Cappamore-Kilmallock Municipal District for an update on the installation and completion of the electric vehicle charging points planned for the Cappamore Kilmallock Municipal District, with reference to my previous enquiries on this issue, including the number installed to date and the timeline for completion of same.

### **Reply:**

The installation contractor for the project has encountered unforeseen delays in the delivery of charger equipment from overseas and it is therefore currently anticipated that the installation of charging units in the Cappamore Kilmallock Municipal District, will commence in Q2/Q3 2026.
