

Active Travel Scheme Corbally Road

Bulletin No. 19

3rd April 2026

Over the past week, further footpath areas outside of Scoil Ide have been excavated. New kerbs have been installed and the area is being prepared for a base layer of tar.

Please see the image below of preparatory works in the latest section of footpaths outside Scoil Ide.

Active Travel Scheme Corbally Road

Bulletin No. 19

3rd April 2026

Next week, excavation of the footpath areas outside of Scoil Ide will continue in the direction of the Bishops Field, further kerbing will be installed. Skyline will also be on site to pull cables for new street lighting.

Please see below image of excavation works continuing outside Scoil Ide.
