**Weekly Bulletin No. 7**

*10th April 2026*

Over the past week, ShareRidge crews have been completing further concrete pours in the footpath areas around the Spar shop. New tactile paving has also been installed. Works have also continued on the excavation of existing footpaths and the installation of ducting and drainage.

Please see image below of tactile studs alongside a service chamber in the new footpath area.

# Active Travel Scheme Old Cratloe Road

**Weekly Bulletin No. 7**

*10th April 2026*

Next week, works will continue on the installation of new kerbing and further sections of new footpaths. Ducting and drainage works will also continue in the direction of TUS.

Please see image below of trench being dug for new services.
