**Re: Part 8 Proposal for the following:**

Part 8 proposal, Reference PT8LL354, that will consist of a new Patrickswell Sports and Community Campus at Lisheen Park, Ballyanrahan East, Patrickswell, Co. Limerick

---

### **Appropriate Assessment (AA) Screening Determination**

Pursuant to the requirements of the above Limerick City & County Council is proposing the development as described above at Lisheen Park, Ballyanrahan East, Patrickswell, Limerick.

The plans and particulars were placed on public display from the 2nd March 2026 until 31<sup>st</sup> March 2026 inclusive, in accordance with the requirements of the Part XI of the Planning and Development Act, 2000 (as amended) and Part 8 of the Planning and Development Regulations, 2001 (as amended).

Having regard to Article 6 of the Habitats Directive 92/43/EEC and (inter alia) the Department of Housing Planning Community and Local Government's Appropriate Assessment of Plans and Projects in Ireland Guidance for Planning Authorities (2010), screening of the development for Appropriate Assessment was carried out by JBA Consulting.

An AA of the proposed development is not required as it can be excluded, on the basis of objective information provided in the Screening Report, the scale of the development and the distance of the development from any SAC and SPA, that the proposed development, individually or in combination with other plans or projects, will not have a significant effect on any European sites. Therefore, this proposed project does not need to proceed to Stage II of the Appropriate Assessment Process. The Screening has determined that there is no potential for likely significant effects on any European sites.

For the reasons outlined above it is considered that the application for consent for the proposed development does not require an Appropriate Assessment or the preparation of a Natura Impact Statement (NIS).

**Order:** That Limerick City & County Council as the Competent Authority having considered the AA Screening Report prepared by EJBA Consulting makes a determination that, when considered either alone or in combination with other plans or projects, a Stage 2 Appropriate Assessment will not be required to accompany the proposal for the construction of a sports and community campus at Lisheen Park, Ballyanrahan East, Patrickswell, Co. Limerick
