

Active Travel Scheme Corbally Road

Bulletin No. 28

5th June 2026

Over the past week, works have continued on the footpath areas between the junction of Lanahrone Avenue and Mill Road. The existing footpaths have been excavated, and new kerbs have been installed. The area is now prepared for the concrete pour. Work has also commenced on clearing the site for the construction of new foundation walls in Bishops Field.

Next week, works will continue on the footpath areas near the junction of Corbally Road and Roseville Gardens. In Bishops Field, excavation works for the foundations of the new boundary wall will begin.

Please see image below of the field being cleared.
