

Active Travel Scheme Corbally Road

Bulletin No. 31

10th July 2026

Over the last week, work in the footpath sections between the Lanahrone Avenue junction and Mill Road have been completed. In Bishops Field, works have continued on the new boundary wall. Works have also commenced on the foundations for the new entrance to St Munchins Colege.

Next week, works will continue on the new boundary wall at the Bishops Field along with continuing foundations for new entrance pillars to St Munchins College.

Please see image below of new boundary wall foundations.
