

Active Travel Scheme Corbally Road

Bulletin No. 30

3rd July 2026

Over the last week, progress has continued along the footpath sections between the Lanahrone Avenue junction and Mill Road. Existing footpaths have been removed, new kerbing has been installed, and the area has been prepared for the upcoming concrete works. In Bishops Field, foundations have been poured for the new boundary wall.

During the coming week, footpath improvement works will continue in the vicinity of the Corbally Road and Roseville Gardens junction. In Bishops Field, works will commence on the new boundary wall.

Please see image below of new boundary wall foundations.
