

Active Travel Scheme Corbally Road

Bulletin No. 33

28th August 2026

Over the past week, works have continued on the foundation for the stone facing of the boundary wall.

Next week, drainage works beneath the shared pedestrian/cycleway will commence, along with the construction of the underlying surface build-up.

Works on the foundations for the boundary wall stone facing will also continue.

Please see below image of the foundation for the stone facing on the boundary wall
