

HMD1 - Disability / Medical Checklist

To be approved for medical priority status you must prove that you have a **long and enduring illness** and show that you have a specific housing need arising from your disability or medical condition.

This medical form must be completed by two Health Care Professionals:

1. Your GP, Mental Health Services, Social Care Professionals or any other registered Healthcare Professional deemed appropriate by Limerick City & County Council.
2. A current diagnostic report from your Consultant Physician, Occupational Therapist report or Clinical Psychologist report. These reports should contain any Housing related recommendations linked to your illness/disability such as, accessibility features, additional bedrooms, ground floor or level access, wheelchair accessible, location/proximity to amenities and services.

*Please return the HMD-1 Form completed together with your supporting medical documents to **Limerick City and County Council, Housing Assessments, Housing Support Services, Merchants Quay, Limerick.***
