A €660k funding cliff emerges in 2027

Only €550k is identified for an equivalent €1.21m service in 2027, after full funding in 2026.

€1.21m

2026 · fully funded

Current annual operating
model

Together, these sources maintained the existing service throughout 2026.

2027 situation

€550k

identified funding

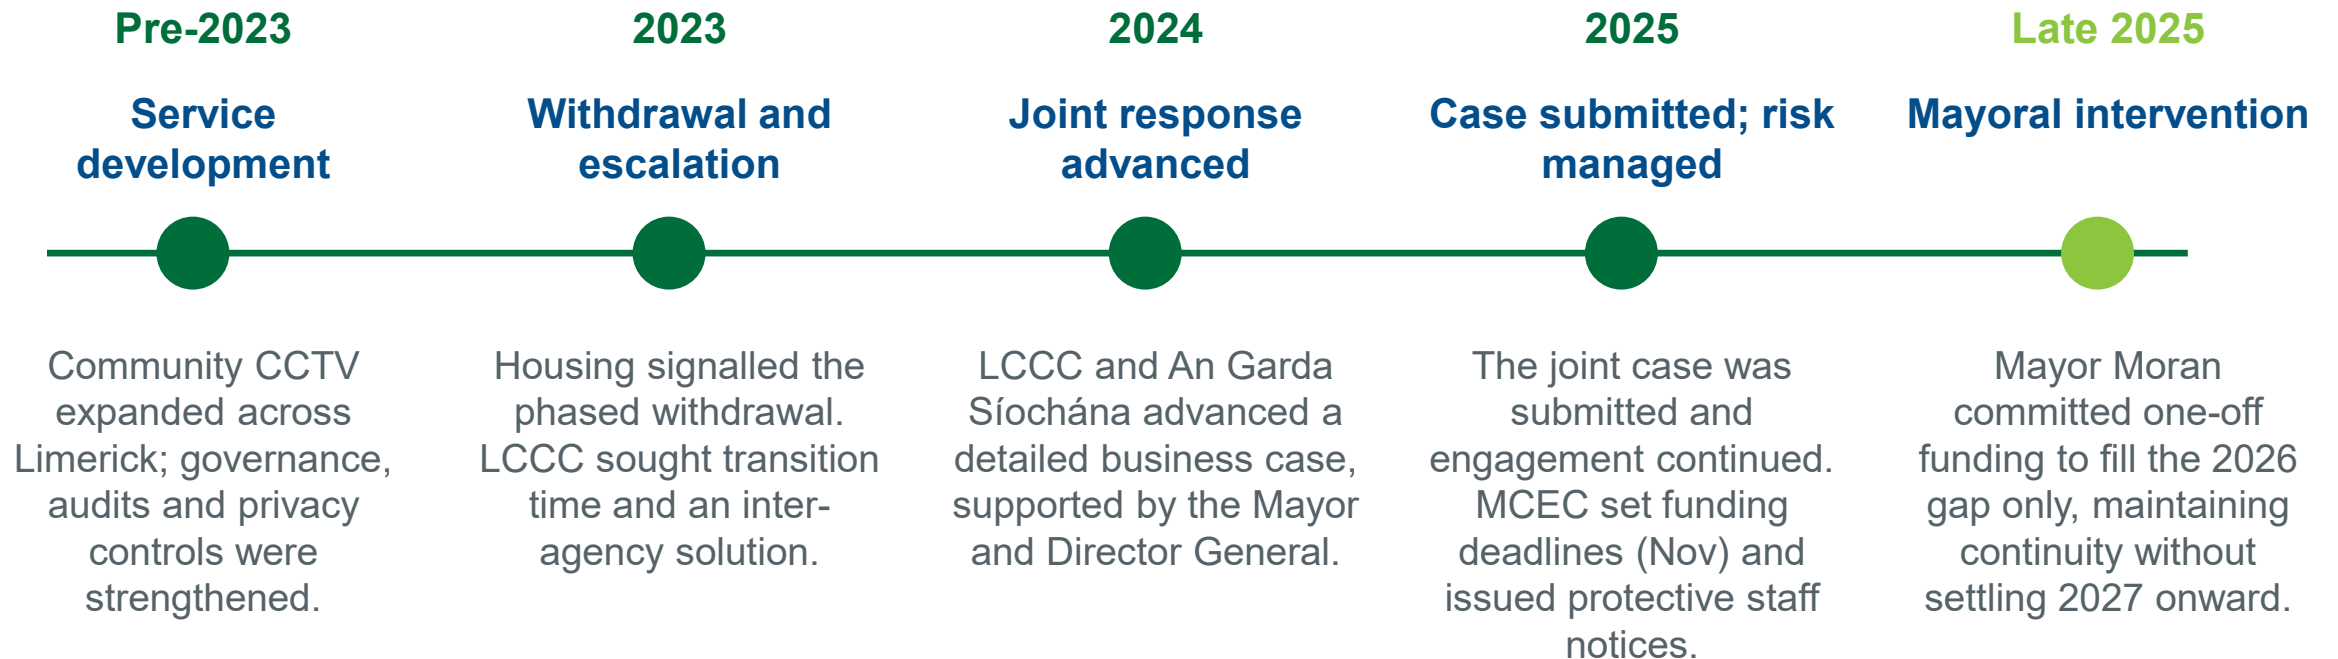

45% of the current
annual model

The 2027 proposition funds less than half of the current operating model.

History: work undertaken since 2023

The response progressed from formal notification and escalation to joint business-case work and one-year continuity funding.

MCEC notice — 4 September 2026

30 September 2026 was the deadline for confirmation of a multi-year funding solution; otherwise, staff notification was planned for 1 October.
