

Active Travel Scheme Old Cratloe Road

Weekly Bulletin No. 21

11th September 2026

Works are now almost completed at the new pedestrian crossing point at the brow of the hill adjacent to Caherdavin Meadows.

The areas near the new boundary wall have been seeded.

Works have continued on excavating the existing footpath in the direction of Old Whitehorn Drive.

Next week, works on these new footpaths will continue and the new Bus Stop will be installed.

Please see image below of the new pedestrian crossing point at the brow of the hill adjacent to Caherdavin Meadows.
