**Cappamore/Kilmallock Municipal District Meeting
to be held on Thursday 17th September 2026**

Notice of Motion submitted by Councillor Stokes

I will move at the next meeting of the Cappamore-Kilmallock Municipal District that, due the recent expansion of the village of Killeely with new houses, that Limerick City and County Council consider the development of a playground in Killeely as it would be a valuable resource for the local community.

Response

The Council can consider a playground for the village of Killeely, subject to identification of a funding stream. The Council would advise that consideration should be given to a community playground where the community could apply for Leader funding and a playground delivered in a more timely fashion.

The Council can provide assistance to the community in assessing a site for its suitability, once a site has been identified.
