**MEETING OF THE MUNICIPAL DISTRICT OF CAPPAMORE - KILMALLOCK to be held
on Thursday, 17th September 2026.**

Question as amended by Councillor C. Conway

I will ask at the next meeting of the Cappamore-Kilmallock Municipal District for the number of applicants on the Social Housing Waiting List who have selected Kilmallock as an area of choice by bedroom size

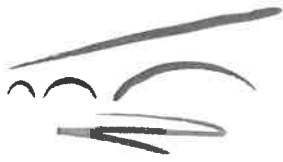

REPLY:

The table below provides the numbers of applicants on the Council's Housing Waiting List who have chosen Kilmallock as an area of choice by bedroom size.

Bedroom Size	Number of Applicants
1 Bedroom	75
2 Bedroom	34
3 Bedroom	25
4 Bedroom	6
Total Applicants	140

Meeting of the Cappamore – Kilmallock Municipal District to be held on Thursday 17th September 2026

Question submitted by Councillor Conway

I will ask at the next meeting of the Cappamore Kilmallock Municipal District what proposals do Limerick City and County Council have to provide proper managed parking at Ardykeohane Housing Estate, Bruff, along with improved sightlines at this location.

Response:

Limerick City and County Council have reviewed the parking situation in Ardykeohane estate and plan to implement an improved junction layout to positively assist with sightline improvements within the estate.

September Municipal District Meeting of Cappamore-Kilmallock to be held on Thursday 17th September, 2026

Question submitted by Cllr PJ Carey.

I will ask at the next meeting of the Cappamore-Kilmallock Municipal District for an update on the two preliminary surveys suggested regarding my Motion from January 2026 on proposed walkway lighting in Kilmallock.

REPLY:

In response to the Motion adopted in January 2026 regarding the provision of public lighting along walkways in Kilmallock, preliminary ecological assessments have now been completed, including both daytime and nighttime site surveys undertaken on 9 September 2026. The surveys were carried out to evaluate the potential impact of additional lighting on local wildlife and habitats.

Four walkways were assessed: the Priory Walk, Memorial Walk, Loobagh Walkway and West Wall Walkway. The findings confirmed significant bat activity along the Priory Walk, Memorial Walk and Loobagh Walkway, with four bat species recorded in total. The surveys also identified the presence of Grey Heron along the Priory Walk. Given the ecological importance of the River Loobagh as a wildlife corridor and the potential for additional lighting to adversely affect nocturnal wildlife, it has been concluded that these three routes are not suitable for the provision of public lighting.

The West Wall Walkway was identified as the most suitable location for lighting due to the limited bat activity recorded and the existing level of surrounding illumination. The assessment recommends that any lighting proposed for this route should be in the form of low-level, wildlife-friendly bollard lighting designed to minimise light spill and avoid impacts on local biodiversity.

**Meeting of the Municipal District of Cappamore-Kilmallock to be held on 17th September
2026**

Question submitted by Councillor Martin Ryan

**I will ask at the next meeting of the Cappamore-Kilmallock Municipal District if
Cappamore Development Association would be allowed to light up Cappamore Library for
Christmas 2026.**

REPLY:

Cappamore Library and Artist Studios play a central role in developing community participation and cohesion at Cappamore. The Library would be delighted to facilitate Cappamore Development Association with the lighting up of Cappamore Library for Christmas.

It is worth noting, that the Library is required under Health and Safety legislation to ensure that all temporary electrical installations are carried out by a qualified electrician, currently registered with Safe Electric. The electrician will need to provide documentary certification to Cappamore Library that the temporary work has been carried out to the required current safety standards and Technical Rules.

The Library would be happy to provide the electrician selected by Cappamore Development Association with a sample copy of the certification required in advance of the works.

MEETING OF THE MUNICIPAL DISTRICT OF CAPPAMORE – KILMALLOCK TO BE HELD ON THURSDAY THE 17TH SEPTEMBER 2026

Question submitted by Cllr. Teefy

I will ask at the next meeting of the Cappamore-Kilmallock Municipal District for an update on the EV charging points in the Municipal District. Can the Council confirm when the charging points will be fully operational and available for public use.

REPLY:

Two EV charging points have been installed at the library carpark in Kilmallock, they are fully operational and available for public use.

Patricia Liddy,
Director of Services,
Transportation, Mobility & Public Realm Directorate,
14th September 2026.
