

Active Travel Scheme Corbally Road

Bulletin No. 34

2nd October 2026

Works are nearing completion on the Corbally road Active Travel Scheme. The Piers are built and the gates have been hung at St Munchins. New radius Kerbs have been installed at the exit in both directions. The new radius red brick wall has been completed and the facing of the new bounday wall of the Bishops field is more than halfway complete. New railings have been installed at Scoil Ide.

Over the coming weeks, the final sections of concrete footpaths will be poured and the pedestrian crossing near St Munchins gate reinstated. Tarring of the carraigeway and the shared footpath/cycleway will commence on the 19th of October.

Please see image below of the new entrance gates to St Munchins.
