Proposed Disposal of Properties at the following addresses to Limerick Twenty Thirty Strategic Development DAC:

- **Convent Road, Abbeyfeale, Co. Limerick.**
- **6 Colbert Terrace, Abbeyfeale, Co. Limerick.**
- **7 Colbert Terrace, Abbeyfeale, Co. Limerick.**
- **8 Old Church Street, Abbeyfeale, Co Limerick.**

1. Introduction

It is intended that the following proposed disposal of properties at:

- Convent Road, Abbeyfeale, Co. Limerick.
- 6 Colbert Terrace, Abbeyfeale, Co. Limerick.
- 7 Colbert Terrace, Abbeyfeale, Co. Limerick.
- 8 Old Church Street, Abbeyfeale, Co Limerick.
- Unit 1, The Bridge Inn, Abbeyfeale, Co. Limerick.
- Unit 2, The Bridge Inn, Abbeyfeale, Co. Limerick.

will be included on the Agenda for the November Full Council Meeting. The disposal of the above properties to Limerick Twenty Thirty Strategic Development DAC will be at market value in the total sum of €990,000 (inclusive of VAT).

The disposal to Limerick Twenty Thirty Strategic Development DAC will fulfil key objectives of the Directly Elected Mayoral Programme 2024-2029, particularly objectives ML14, ML15 and ML23 to deliver a targeted approach to provide a cost-recovery rental model with assets owned and income surpluses from rent retained on a not-for-profit basis for future housing purposes in the area.

The disposal also aligns with the Councils' adopted Annual Service Delivery Plan 2026 which seeks to involve Limerick Twenty Thirty Strategic Development DAC in the delivery and cost recovery not-for-profit asset retention of housing.

The proposed intervention is intended to diversify the local housing offer by providing opportunities for working households and key workers to access rental in Abbeyfeale. In doing so, it will support a more balanced tenure profile, increase disposable household incomes within the communities concerned, strengthen local spending power, and contribute to the long-term social and economic sustainability of Abbeyfeale.

Rather than relying solely on a once-off disposal to a private entity, the model seeks to retain control of the assets in long-term residential use through Limerick Twenty Thirty Strategic Development DAC with rental income supporting debt servicing, asset management and future surpluses directed to future housing reinvestment in the area. The objective is the gradual development of a revolving housing fund capable of supporting future acquisitions, refurbishment programmes and regeneration projects.

2. Description, Location and History of Properties:

The subject properties were derelict and in need of complete refurbishment works.

Statutory notices were served in accordance with the Derelict Sites Act 1990. The properties were entered on the Derelict Sites Register and Limerick City & County Council subsequently acquired the properties compulsorily.

Following on from the properties vesting into LCCC ownership, they then entered the RLHD development program. The sites were fully derelisted and renovated to a modern standard with all services fully replaced within the property and renovated to an 'A' rated family home.
